

Auxiliary Aids Plan Legal Aid Service of Collier County Family Law and Domestic Violence Unit

The Family Law and Domestic Violence Unit of Legal Aid Service of Collier County (hereinafter the Domestic Violence Unit) shall comply with Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. 794, as implemented by 45 C.F.R. Part 84 (hereinafter referred to as Section 504) and the Americans with Disabilities Act of 1990, 42 U.S.C. 12131, as implemented by 28 C.F.R. Part 35 (hereinafter referred to as ADA).

This plan is available in alternative formats at the request of staff and participants. This plan will be disseminated to persons and agencies working with people living with a disability and Limited English Proficient and will be posted on LASCC's website.

Single Point of Contact (SPOC)

The SPOC, D. Logan Meester, will ensure effective communication with Deaf or Hard-of-Hearing customers or companions in accordance with Section 504 and the ADA. The SPOC shall ensure that employees are aware of the requirements, roles, responsibilities, and contact points associated with compliance with Section 504 and the ADA.

Provision of Auxiliary Aids and Services

The Domestic Violence Unit recognizes that the customer or companion's preference is the primary consideration in determining what auxiliary aids or services to provide. If communication through a specific auxiliary aid or service is deemed to be ineffective, staff will ask the customer or companion to determine a more effective auxiliary aid or service for communication. Documentation shall be made in the customer's file regarding the attempt to improve the effectiveness of auxiliary aids and services.

If a participant or companion is Deaf or hard of hearing, The Domestic Violence Unit's staff shall obtain auxiliary aids according to the communication assessment and requested for services. All ASL interpreters' certifications shall be verified.

Staff that is unfamiliar with the auxiliary aid or service requested shall contact their SPOC, 504/ADA Coordinator (Civil Rights Officer) or their Supervisor, for assistance in locating appropriate resources to ensure effective communication with clients, customers and companions.

Provision of Interpreters in a Timely Manner

The Domestic Violence Unit's staff shall provide interpreters for customers and companions who are Deaf or hard-of-hearing in a timely manner in accordance to the following standards:

- a. **Non-Scheduled Interpreter Requests:** For any emergency situation that is not a scheduled appointment, staff shall make an interpreter available as soon as possible, but in no case later than two (2) hours from the time the customer or companion or staff requests an interpreter, whichever is earlier.

FINAL

If the situation is not an emergency, staff shall offer to schedule an appointment (and provide an interpreter where necessary for effective communication) as convenient to the customer or companion, but at least by the next business day.

- b. **Scheduled Interpreter Requests:** For scheduled events, staff shall make a qualified interpreter available at the time of the scheduled appointment. If an interpreter fails to appear for the scheduled appointment, staff shall take whatever additional actions are necessary to make a qualified interpreter available to the customer or companion who is deaf or hard-of-hearing as soon as possible, but in no case later than two (2) hours after the scheduled appointment

Auxiliary Aids Documentation

The Domestic Violence Unit shall document the customer or companion's preferred method of communication and any requested auxiliary aids and services provided in the customer's program file. Documents and forms evidencing when and how the Domestic Violence Unit provided auxiliary aids and services to customers or companions shall be retained within the customer's corresponding file for seven (7) years. Forms include but are not limited:

- Customer or Companion Assessment and Auxiliary Aid and Service Record
- Customer or Companion Request for Free Communication Assistance or Waiver
- Auxiliary Aid Service Record Monthly Summary Report

This documentation will continue to be kept for record keeping with the SPOC.

Denied Auxiliary Requests

Documentation, with supporting justification, must also be made if any request was not honored. Legal Aid Service of Collier County's Executive Director or Managing Attorney are the only persons that can deny auxiliary aid requests made by a customer or companion. If a staff person is not familiar with an auxiliary aid request, please contact the SPOC for information as well as ask the survivor for any information that you may need to secure this aid, but reiterate that the cost of any auxiliary aid is the responsibility of the agency and not the participant.

Referrals

If customers or companions are referred to other agencies, the provider must ensure that the receiving agency is notified of the customer or companion's preferred method of communication and any auxiliary aid or service needs. In order to accommodate this, the Domestic Violence Unit will ensure that the referral is desired by the participant and that he or she signs a Release of Information Form.

Customer Feedback Form

The provider shall distribute Customer/Companion Feedback Forms to customers or companions that are Deaf or Hard-of-Hearing and provide assistance in completing the forms if requested by the customer or companion. The original Customer/Companion Feedback Form shall be mailed to DCF, Office of Civil Rights, 1317 Winewood Boulevard, Building 1, Room 110, Tallahassee, FL 32399-0700 by the participant or if requested, by the Domestic Violence Unit. A copy of the Customer Feedback Form **shall not be kept in the file.**

Documentation/Record Retention

Records relating to auxiliary aids and services provided shall be retained by the SPOC and the original document retained in the client or customer's file or records. A requested sampling of final requests for accommodations, along with relevant documentation, shall be forwarded to the Florida Coalition Against Domestic Violence (FCADV).

Signage

The SPOC will ensure that conspicuous Notices which provide information about the availability of appropriate auxiliary aids and services at no-cost to the Deaf or Hard-of-Hearing customers or companions are posted near where people enter or are admitted within the center locations. The SPOC's name and contact information should be on the Deaf or Hard-of-Hearing poster, as well as the name and contact information for the ADA 504 Coordinator.

The approved Notices can be downloaded through the Internet at: <http://www.dcf.state.fl.us>

HHS Reports

The SPOC shall submit HHS Reports monthly, no later than the 5th day of each month, to the FCADV Contract Manager.

Event Accommodations

The Domestic Violence Unit shall ensure accessibility to meetings, conferences and seminars to persons with disabilities, limited English proficiency, and Deaf or Hard-of-Hearing by placing the following statement on all event notices and advertisements prior to the event:

Auxiliary Aid Resources

Florida Video Relay – 7-1-1

Through the Florida Relay Service, people who use specialized telephone equipment can communicate with people who use standard telephone equipment. To call Florida Relay, dial **7-1-1**, or use the appropriate toll free numbers below:

1-800-955-8771 (TTY)
1-800-955-8770 (Voice)
1-877-955-8773 (Spanish)
1-877-955-8707 (French Creole)

Video Remote Interpreting

Through a video remote interpreter people can use an interpreter via technology to communicate with a participant in stead of an in person interpreter. This is a good resource for emergency situations with limited time to get an in person interpreter as well as if there are few local community resources for certified interpreters. Below is the phone number for the Registry of Interpreters for the Deaf which will provide contact information for certified video remote interpreting.

Registry of Interpreters for the Deaf: (703) 838-0030 (Video Remote Interpreters)

CART-Captioning Real Time and Providers

Captioning (Real Time). This is the simultaneous conversion of spoken words to text, through computer-assisted transcription or court reporting, and displaying that text on a video screen. This communication service is beneficial to individuals who are Deaf or Hard-of-Hearing that do not use sign language or for whom assistive listening devices and systems are ineffective.
